ABOUT AFRICA

Private Safari Itinerary 1 pax

Day 1

Arrival in Uganda transfer to your accommodation in Kampala.

Day 2

This morning after breakfast, your safari guide will meet you at your hotel and depart by road to Queen Elizabeth National park. The drive will take approximately 6-7 hrs depending on our interest along the way. We will stop at the equator for pictures and then continue to Mbarara for lunch.

Queen Elizabeth National Park covers 1,978 sq km and lies north and south of the equator in southwestern Uganda. From open savannah to rainforest, from dense papyrus swamps and brooding crater lakes to the vastness of **Lake Edward**.

It's a little wonder that Queen Elizabeth boasts one of the highest bio diversity ratings of any game park or reserve in the world, - from the open Savannah to Rain Forest, dense Papyrus Swamps and brooding Crater lakes to the vastness of Lake Edward.

Almost 100 mammal species that include Lions, Hippos, Buffaloes, Leopard, Spotted Hyena, Elephants ,Uganda kob and the elusive Giant Forest Hog plus remarkable 606 bird species that include the Black Chested Eagle, the Swallow Tailed Bee Eaters, Verreaux's eagle owl and African skimmer to name but a few. kob all regularly sighted around the tourist village on the Mweya Peninsula - which also boasts also boasts a marvelous waterfront setting in the shadow of the **Rwenzori Mountains**.

Overnight at your choice of accommodation in queen Elizabeth National park. . (Luxury/high end/medium class of accommodation.

Day3

www.about-africa.com

ABOUT AFRICA

This morning starts with a **game drive** to the **Kasenyi Area** to look for lion prides and other wildlife. Uganda kob mate around this area and this gives you a chance to see their breeding behaviors. Many animals will cross your paths, elephants, antelopes and with a bit of luck also lions or hyenas.

Head back to the lodge for lunch and later in the afternoon embark one of the boats for a **boat trip launch on kazinga channel**. This will allow you to experience wildlife up close where hippos huff and spray mere feet away, buffalo linger in the shallows and a tremendous variety of birds grace the grasses on the river's edge. Amongst those you will see are the malachite and pied kingfishers, great white and pink-backed pelicans and the open-billed stork. With some luck you will even spot elephants on the river banks coming for a drink and a bath. We return to the lodge for dinner.

Spend the evening at the lodge; enjoy the beautiful sceneries surrounding your accommodation.

Overnight at your choice of accommodation in queen Elizabeth National park. . (Luxury/high end/medium class of accommodation.

Day 4

Early in the morning at around 8am you will embark another game drive beneath the vast skies of Ishasha wilderness in the far south and also in this part of the park is well known for tree-climbing lions. After the morning adventure you will reach Ishasha between 12pm-1pm, check in, have lunch and then you will relax and enjoy the beautiful scenery at the camp, have a walk.

Later on in the evening you will have a quiet and relaxing dinner

Overnight at your choice of accommodation in queen Elizabeth National park. . (Luxury/high end/medium class of accommodation.

ABOUT AFRICA

Overnight at your choice of accommodation in Bwindi Impenetrable Park. (Luxury/high end/medium class of accommodation.

Day 6

This morning starts with tracking the mountain gorillas that takes two to eight hours depending on the location of the group. The adventure requires a reasonable level of fitness since the forest comprises of dense tangled vegetation draped over the mountainous landscape of deeply fissured valleys and steep ridges.

Please note after noon activity is optional depending on the side you track, time you might be back from tracking and how tired one feels after tracking.

Head back to the lodge/hotel for lunch and later in the afternoon embark community walks provides an insight into the lives of Bakiga and Batwa (pygmy) people living beside the forest. Bwindi hills are inhabited by Bakiga hard working farmers who have created the regions emblematic land scape of steeply terraced hills. Batwa pygmies inhabit the margins of Bwindi and Mgahinga forests and offer exciting tours to glimpse life through their eyes
